WHO ARE THEY?

“It's amazing how these digital cameras make a fella look so damned OLD! Hell. I remember back in the 70's and 80's taking pictures with a standard Kodak film camera and looking so much younger!”

It was nice to see everyone again at minigathering at Peggy's house. Didn't stay too long , but glad I went. [Richard \(Wally\) Waldrop Salinas, waldrop53@yahoo.com](mailto:waldrop53@yahoo.com)

Well I'm glad Michael and I finally got to come to one of the "mini gatherings." We had a great time. I'm only sorry we had to leave a little earlier than we would have liked but Michael had a 10K Sunday morning at 8:00am. :-(He actually came in 3rd for his age group which isn't too bad.

It was so nice of Peggy to open up her house to all of us. I like the nice touch of all the yearbooks and scrapbooks. It's always fun to look back on what we were doing back in elementary and high school. [Claire James, Campbell, Claire.Kotowski@sjsu.edu](mailto:Claire.Kotowski@sjsu.edu)

“Loved the candid shots from the old days, recognized quite a few. Sadly, even the backshot/profile of Dave Nichols sitting on the bench. in the NSHS courtyard.”

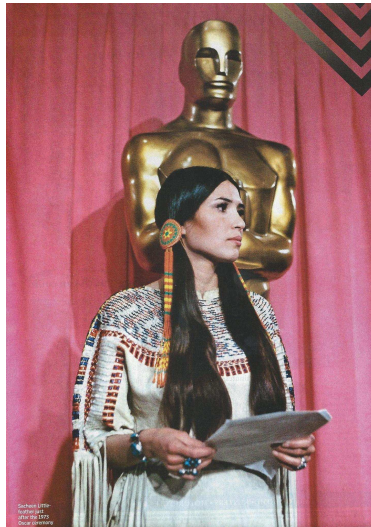

Chuck Postlethwaite(NSHS '65), Clovis, cwpostlethwaite@comcast.net

“The last thing in the Feb newsletter ...at the end? I thought that was my mother

standing there. Must be the era of how the women dressed back then. Neat! “
Keith Kindle, Perry Georgia, hotrodvstar@gmail.com”

“Loved the article about Marie Cruz. Not sure I knew of her on the NSHS campus, but when I got to Hartnell I recall she was in a fashion show and when she graced

"cat-walk" she was a vision to behold, wearing a white bikini ...an impression that is, no doubt, seared into the minds of each guy who had the great fortune of being in the right place at the right time. Thanks for the memory jog.

Shortly after Glenda and I moved to Santa Barbara and settled-in with a great church family, the preacher learned we were from Salinas and the first thing he asked me was "...did I know Sasheen Littlefeather?" Then he mentioned he had accidentally seen the Playboy layout ...yeah, right."

Thank you for the update about the 50th Reunion. Yes, we did walk together to school! I was new to NSHS that senior year and appreciated you walking with me. I am keeping well and continue to teach. Currently, I am teaching Early Childhood Education in the Waldorf Teachers Education Training here in Eugene.

I will not be able to attend the reunion, since I am still teaching. The fall term is a very busy time for me here. Thank you for keeping in touch. Lourdes

All is well, and I'm still living here at Lake of the Pines. We are so busy babysitting that we don't know what to do at times. However, it's great babysitting. Our granddaughter will be 2 years old on June 21. She doesn't talk yet but we are wondering what her first sentence will be. We already know her first word will be Nyia (our dog) Take care and hopefully I'll be able to see you sometime. Ron

My wife, Minnie, just retired this month after 33+ years with AAFES. Now both of us are currently on permanent vacation....isn't that neat? Now what to do with all

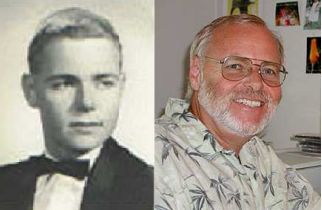

the free time...work on something, I guess.

Chapala Jalisco, Mexico, ttmex@yahoo.com (new email)

I'm still here in Chapala. I started construction on a house some 4 years ago and couldn't finish it, so I sold it and bought another lot and have been working on another house for about a year now. That takes up just about all of my time.

I have also been doing a bit of dancing and really enjoy it. Especially when/if I can come by some music that is danceable. There are so many old gringos in this area that several of the restaurants try to attract their patronage by offering a group that plays some of the American 'oldies' for us. And the gringo-music restaurants know that, if they want us to come, they better damn well have that music on by 6.

Tim Roberson and I were certainly were buddies. Haven't heard from him and Elaine for years.

I receive and read most of the newsletters. Depressing every time I hear of one of our classmates passing. Especially Dick Clark. He, too, was a good friend of mine. Your pal, Pablo
